# Things to think about before your home visit

## 1 How would you like to use your bathroom?

The bathroom you have today doesn't have to be what you have tomorrow. Think about in an ideal world how you would like to use your bathroom

- Relaxing    Practical for everyone    Plenty of storage    Fit for a busy household    1-2 people only    Accessibility

## 2 What's your style?

A good starting point is to consider the overall look you want to achieve from your new bathroom. There are lots of places to look for inspiration, such as the Wickes Bathroom brochure, Pinterest boards and even visiting your local Wickes Showroom.

- Modern    Traditional    Neutral colours  
 Bold colours    Matt finish    Gloss finish

**Wickes**

### Did you know?

Our installers can transform your standard bathroom into an open plan wet room

## 3 What products would you like?

There is a wide range of bathroom products now available to suit every style and budget.

To help you decide what's important take a look at the next couple of pages before your home visit.

**Wickes**

### Did you know?

You can now get baths that have a wider area at one end, which is perfect for showering

## 4 How would you like to complete the look?

Finishing touches can make all the difference, from tap design to paint colour. Gather some ideas of what you like to show your Design Consultant during their visit.
