

A modern wardrobe with three sliding doors made of frosted glass. The central door is open, revealing a white coat hanging on a hanger, a dark box, and folded blue and white items on shelves. To the right, a tall, multi-tiered, metallic vase stands next to a dark armchair with a stack of books on a low wooden table. The floor is light-colored wood, and a brown rug is partially visible.

Sliding Wardrobe Doors

Designs and storage solutions to suit any home

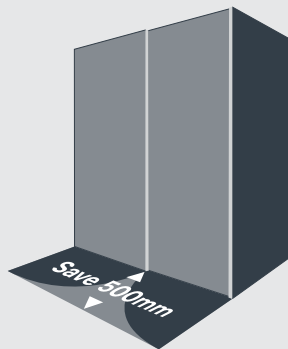

Sliding doors

Sliding doors can completely transform any room creating stunning, practical wardrobes, organising your space entirely around you. We have a large selection of sliding door designs to choose from. Choose from our pre-designed range or create your own look. We have fixed sized doors as well as custom sized options available

Why choose sliding doors

Space saving

Sliding doors not only save you space on the outside of the wardrobe, but create more on the inside!

Did you know

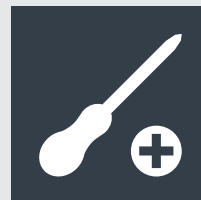

If your opening space is too large, then you can build inwards to make your doors fit. See our fitting accessories for more info.

Custom sliding doors - order form

Please complete this order form in block capitals and hand it in to our Store Team who will ensure that your products are ordered for you. You will be contacted by our supplier in a few days to arrange a delivery date.

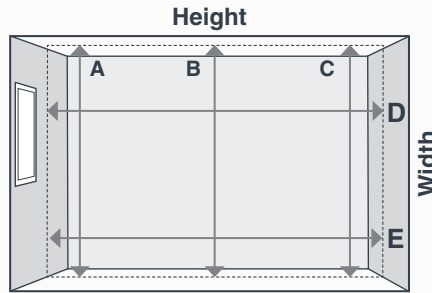

1. What's your space?

Custom doors are made to fit the opening dimensions:

Height: Min 1200mm - Max 2480mm
Width: Min 1200mm - Max 4550mm

Measure your opening height and width at the five points indicated on the diagram to the right. This measurement is best taken approx 620mm from the back wall to allow for your storage system.

Please take into account any obstructions such as coving, skirting, radiators etc. Either remove these or build an unobstructed opening around them.

Our custom doors come with colour matched tracksets cut to fit into your opening width
